GUIDELINES FOR ALATEENS ATTENDING ASSEMBLY

These guidelines were written by Alateens for Alateen conduct as Assembly.

Alateens may attend only with a parent, guardian, custodian or Certified Alateen Sponsor.

Alateens may not drive to the Assembly in their own cars. They must come with a parent, sponsor or delegated adult.

Alateens must attend every single function indicated by * while at the Assembly.

Each Alateen must be properly registered at the Assembly and must wear a name badge that also shows their sponsor's names at all times.

Alateens must show courtesy by being on time for all activities and by not leaving meetings before the activity is over.

Each Alateen is required to dress at all times in a manner that is considered decent and appropriate and in good taste for a resort hotel.

Each Alateen is required to show conduct that is appropriate for the resort hotel. This includes proper conduct in elevators, not running in the hotel, not being noisy and not playing radios loudly.

Curfew is 12:00 am due to hotel policy and city ordinance. Every Alateen must be in his/her room by 12:15 am and stay there. There must be no exceptions to this guideline.

The Hospitality Room is based on the 7th Tradition. All contributions are greatly appreciated. The Hospitality Room will be closed during all meetings and workshops, at 11:00 pm each evening, and on Sunday.
