

District 5 Report

10/29/2020

Hope this report finds everyone well. Groups are beginning to discuss whether to become permanent electronic meetings, to resume in person meetings, or to continue as a temporary electronic meeting. District 5 has updated their COVID Meeting list and update form to indicate in person meeting status.

Over the last 3 years, District 5 has been able to provide Public Outreach to our District as well as donate to the WSO in response to their COVID Appeal letter. In doing so, we have been able to use a great portion of our excess funds to help the friends and families of alcoholics. At this time, a task force is looking at what amount we should set our ample reserve. With the help of our service manual and guidelines, we gotten clarification about the differences between a Sufficient Operating Budget and Ample Operating Budget. I look forward to seeing the recommendations from the Task Force at our December 2020 meeting.
