

ETAAA - Web Coordinator Report Fall 2020

In my last report (published in the Beacon), I asked for assistance. As an AI-Anon, asking for help is *not* my strong suit. But, feeling overwhelmed with Assembly being online this year, reports and resumes needing to be uploaded, etc. - I asked for help. I am so grateful that **Yvonne M (District 1)** answered the call.

Like a *boss*, Yvonne stepped up and stepped in - uploading, emailing...getting the job done so that GRs across our area have the information they need for this Assembly.

Thank you Yvonne for your help and service to our Area.
Peace and Love,
Dorie
