

Report from District 10 to AWSC Zoom Meeting

Sept. 26, 2020

District 10 had ten active meetings before Covid 19. Nine are still meeting at the usual time and place. Two of our meetings are meeting in person, and have zoom meetings at the same time. Tues. and Wed. meetings have had to move from one place to another as the churches where they were meeting closed. Out of the two original meeting locations that closed due to Covid 19 one has reopened, leaving one original meeting place that remains closed. A longtime member of Al-Anon, Lawan arranged for us to meet at her church for a while until they closed their doors, and now we are meeting at her home. It has been a bit confusing, and a lot to keep up with but we are survivors. Our next district meeting is scheduled for Sept. 26, 2020 on Zoom.

On Sept. 26, 2020 District 10 met on zoom for our first virtual District meeting as scheduled. Elections for the district were held, and several members were voted in to fill open positions. One individual is still seriously considering the DR position, but several positions remain open. We plan to meet again in Dec. hoping to fill three more positions at that time.

Sheila E., DR
