

District 1 met for its quarterly meeting on October 24, 2020. During this meeting a sizable contribution to WSO was approved and the same will be revisited for a similar amount to be contributed early next year.

It has been an honor and a privilege to serve these last three years as District Representative for District 1. There were many changes in District 1, including setting up Slack and setting up a website [rgv-al-anon.org](http://rgv-al-anon.org). We participated in the AA Jamboree each year that it was held and had an Al-Anon speaker as well as member meetings in both English and Spanish. We had a workshop on South Padre Island, which Kay was gracious to prepare and present for us on KBDM. Alateen events were also held in the form of certification and recertification training. Groups are open in McAllen and Harlingen. The challenge this year of meeting virtually was handled well and all members who want to have accessed zoom meetings in English and Spanish. A Day in Al -Anon has been planned as a virtual event for next year. Thank you Debbie O. I would like to thank all who supported our events and in particular Yvonne M., our Secretary for all the hard work, dedication and time spent on the Website project and Slack. A special thanks to all of you for supporting District 1.

We hosted the Spring Assembly in 2019, which was a success and we owe that success to all who attended and the groups who made it possible.

I would like to wish continued success to all the member of the fellowship as well as all the groups, Districts and Area 53. Thank you for the opportunity to serve.

Love in Service,

Mandy T.
