

Program Of Sponsors Sharing Everything (POSSE)  
AWSC Report January 30, 2021

Program Of Sponsors Sharing Everything (POSSE) will be a face to face weekend for Al-Anon Members Involved in Alateen Service (AMIAS) and Al-Anon members interested in certification as an AMIAS for our Area Alateen Groups March 26, 27, 28, 2021. This is POSSE's 27<sup>th</sup> consecutive weekend in Gonzales, Texas for an opportunity to participate in workshops on: Setting Boundaries with Alateens; Attending conferences with Alateens; Responsibilities as an Alateen Group Sponsor; Starting a new Alateen group; Program Ideas and most importantly Avoiding Burnout. For the District Alateen Coordinators (DAC) there is a workshop on "What is My Job?". This is to help the DAC to learn their part in the success of the district AMIASs and their Alateen groups.

The cost is \$125.00 for the weekend that includes two nights lodging, Saturday meals, Sunday breakfast and registration. The deadline for registration with payment is postmarked by March 5, 2021. Since this is not a hotel setting and the meals are prepared and served by the camp we have to turn the head count in two weeks before the event. It is important that we have everyone's registration by that time.

Area Web Coordinator, Natanya A., has posted the POSSE flyer and registration form on the website. Please encourage your AMIASs and District Alateen Coordinator to attend. This weekend will meet the annual requirement for AMIAS training and the camp manager is a notary . So, if you come for a great weekend you will find help and meet other AMIASs from the Texas East Area, complete your AMIAS training requirement, get your paper work notarized, and be able to hand deliver it to the Area Alateen Process Person.

Please feel free to call me if you have any questions.

Love in Service,  
Lynn S.
