

## AWSC MEETING - JANARY 30, 2021

### DISTRICT 2 REPORT

Well, this last year certainly has been historic. District 2 is still holding most of our meetings via Zoom, but a few groups have returned to face-to-face meetings. Currently, our Alateen meeting is not active. We held our last District Meeting via Zoom on December 5, 2020 and election of District officers and coordinators was held. We were fortunate to have filled all positions. We continue to welcome newcomers on our virtual meetings and have sent out an electronic welcoming email and information about literature, meeting schedule, including the electronic version of *Groups at Work*.

Our first District meeting of 2021 was held January 16, 2021 via Zoom. It was a short business/transition meeting with breakout sessions for the outgoing and incoming officers and coordinators. And in the main meeting room we conducted a workshop for new group representatives introducing them to the Links of Service, GR guidelines, GR-1 forms, group contributions, expense forms, assembly planning, WSO and Area 53 resources available. I developed a document called "What does a Group Representative do" that was used for the training, also a suggested report format for district meetings and group reporting.

District 2 will hold its first planning meeting as the host committee for the 2022 Spring Assembly, February 5, 2021.

Love in service,

Ginny M., DR-2
