

AAPP report for January 2021

There are currently 62 AMIAS pending recertification in our Area.

Also, the email address listed in the Beacon is my personal email address. I have since created a new one that will be used for the AAPP correspondence. Please use this one going forward [area53aapp@hotmail.com](mailto:area53aapp@hotmail.com).

Yours in Service,  
Ilene F
